Mission: Flourishing Futures

The mission and core purpose of our School Trust is to enable Flourishing Futures for our children by working together as a values-led family of exceptional academies, delivering an entitlement to exceptional education across all our local communities and where every child flourishes. We believe that every young person, regardless of their background or context, can achieve and exceed the highest of expectations.

Vision

We will be an exceptional School Trust. We are committed to social mobility and a culture of belonging. We do this by investing in people enabling every child to be taught by the very best teachers so that we can achieve social change and all children flourish.

Core Values

Our core values guide the way in which we work together:

- **Excel:** We champion opportunity and quality for all and in all that we do.

Our Beliefs:

We believe that:

- **We are Stronger Together:** we deliver and achieve more than we could ever do individually.
- **In a Sense of Belonging:** every member of our School Trust matters and knows that they belong.
- **In Removing Barriers:** ensuring that where you begin does not limit your horizons.
- **In Realising the Possible:** you cannot be what you cannot see.

The Family will:
