

Welcome to the October edition
of the Ilisham English Hub
Newsletter!

TOP TIP

**PARENT
WORKSHOPS**

Make sure that you have your parent workshops booked in for this half term. Remember - little and often is key!

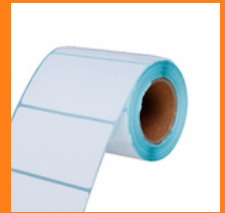

How can parents help at this point in the year?

Reception: Use flashcards to practise known sounds - pure sounds! Play oral segmenting and blending games.

Year 1: Use flashcards to practise known sounds. Listen to their child read 3 times a week and record in their reading record.

Top Tips for Keeping Reception on Track

Sticker children with their sound of the day. Ask the school community to challenge children to say what sound they have been learning!

Send home the sound of the day each day as a flashcard for home practice.
